

Solutions for wine making

Vinitan

Instantaneously soluble

VINITAN is a 100% grape tannin extract, it is ideal for vinification and ageing of high quality red wines

OENOLOGICAL INTEREST

- > VINITAN is our grape tannin selection, extracted according to very strict criteria of purity and quality.
- > Thanks to its grape origin, Vinitan is ideal to improve the structure and wine stability from vinification to ageing.
- > It's instantly soluble form facilitates its application and the homogeneous incorporation.

QUANTITIES TO USE

- > 5 to 30g/hL.

INSTRUCTIONS TO USE

- > Vinitan is ready to use due to its instantly soluble form.
- > Dissolve the quantity of VINITAN in the wine or in water and introduce by pumping-over. Vinitan can also be dissolved in 5 to 10 times its weight in water.
