Certificate of compliance – Contact with Food

Dear Sir or Madam,

Enclosed, we are sending you a declaration certifying that the use of our products in food industry is completely harmless when they are used as intended.

Under normal conditions of use, they do not transfer their constituents to food in quantities which could:

1. endanger human health
2. bring about an unacceptable change in the composition of the food
3. bring about a deterioration in the organoleptic characteristics thereof.

In case of any further questions, please do not hesitate to contact us.

Best regards

in the absence of
Product management
