

Date January 2023

Vegan Confirmation

We hereby confirm that the listed products meet the criteria of the V-Label (DE-FWCN11-V1-en /DE-FWCNG11-V1-en, Last update: 03.12.2019) according to the ticked category vegan (<https://www.v-label.eu/de/kriterien-der-v-label-lieferantenbestaetigung>).

Eaton has signed supplier confirmation for all listed products. For these products, this statement is sufficient for submission to ProVeg e.V. for licensing with the V-Label. An additional supplier confirmation is not necessary.
